A Resource Bank For All Things Samsung

As one of Samsung's registered Climate Solutions partners, you will have access to our Partner Portal and its many benefits. Whether you are looking for marketing materials or technical product documentation, requesting technical support or subscribing for training, the Samsung Climate Solutions Partner Portal offers you everything you need to consistently deliver the best results.

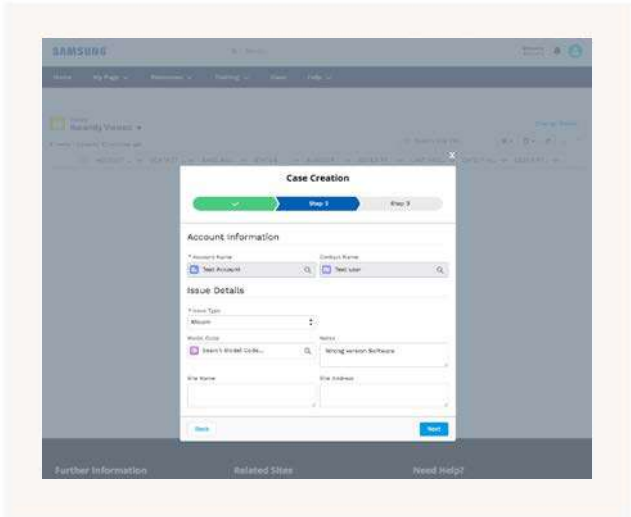

Access Technical Resources

The Technical Resources section allows you to find all relevant information to understand the product's functionality and to prepare and design projects. Ranging from technical data books, BIM files and certificates to exploded views, drawings and different kinds of manuals, a library full of technical information is at your fingertips.

Obtain Marketing Resources

Potential buyers like to know you are on the cutting edge of Samsung's latest innovations. To allow you to align with Samsung's marketing initiatives, the Partner Portal provides you with useful downloadable assets such as images and videos, designed to make your marketing activities easy and effective.

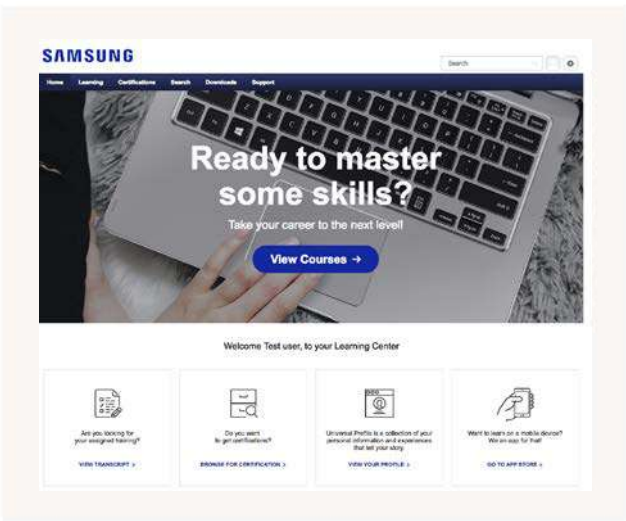

Request Technical Support

Through the Samsung Partner Portal you can easily request technical support by raising your case using our built-in ticketing system. You can rest assured that our well-trained technical experts will work to solve your issue as soon as possible.

Register for Training

If you are dedicated to becoming a Samsung climate solutions expert, you can access Samsung's educational portal for training sessions by experienced trainers. The portal allows you to search for online courses and materials, test your climate solutions knowledge, and more. The Samsung Business Academy is here to help you succeed.*

* The registration process and availability of training courses may differ per country. Please contact your direct Samsung contact person for more information.

How To Access

Register

To register for the Samsung Climate Solutions Partner Portal, open your web browser* and go to partnerhub.samsung.com/climate to complete the registration form.

Access

Your information will be verified and your account will be activated. You will receive your personal login credentials.

Manage account

Keep your account details up to date and invite your colleagues to join.

Search and download

Access a full library of resources, request technical support, or sign up for a Climate Solutions Academy training session.

Please note:

Normal weekday delivery service on a tail lift lorry is between 8am and 5:30pm and is Free of Charge.

Before 12:00 Noon and before 10:00AM deliveries will still be chargeable even if delivered up to 1 hour later than the prescribed time, to allow for unforeseen traffic issues/accidents, site congestion and offloading delays outside of our control which may affect the final delivery time.

Before 10:00AM deliveries arranged the previous day will not always be possible for the following postcodes: TR,PL,SA,LL,SY,FK,G,KY,DD,EH,ML,KA,DG,TD.

Saturday, Dedicated or HiAB vehicle deliveries require orders to be processed at least 3 working days prior to delivery date.

* Northern Scotland will be a 48 to 72 hr delivery service, covering postcodes PA, PH, AB, IV, KW.

HiAB vehicles specification will be provided during the quotation process.

Commissioning

On-site commissioning assistance is available from Samsung approved trained technicians.

Commissioning rates below are determined by the installed equipment type and quantity, please forward a DVM Pro report to tech.aircon@samsung.com for price confirmation.

Availability is subject to demand so please book assisted commissioning in advance
